GUIDELINES FOR RESOLUTIONS

A GOOD RESOLUTION...

- uses clear simple wording;
- is concise and focused – respects the word limit (i.e. 150 words for the PSAC Convention)
- deals with just one topic (problem) and has one major objective;
- clearly identifies the problem;
- specifically outlines the required action;
- builds in accountability i.e. deadlines, who will be responsible for implementing the proposed action, what resources will be required;
- ensures the action proposed is within the jurisdiction of the organization to implement;
- isn't something that is constitutionally dealt with in another way (i.e. bargaining demands)
- allows for flexibility in implementation - it's the end result that accounts;
- is submitted on time (is not a late resolution);
- isn't about something that is already enacted;
- applies the WHO, WHAT, WHEN, WHY and HOW test.

EXAMPLES OF GOOD RESOLUTIONS

TRADITIONAL FORMAT	CLEAR LANGUAGE FORMAT
<p>SUPPORTING THE COURT CHALLENGES PROGRAM</p> <p>WHEREAS the court challenges program, which provides funding to challenge laws and policies that violate constitutional equality rights, was abolished by the Conservative government; and</p> <p>WHEREAS in the past, this program allowed citizens to defend their fundamental rights - rights that many would not have had the financial means to defend without this program; and</p> <p>WHEREAS, without the court challenges program, only people with means have access to the legal system to challenge unjust laws:</p> <p>BE IT RESOLVED THAT PSAC support the rights of citizens by taking a public stand in favour of re-establishing the court challenges program; and</p> <p>BE IT FURTHER RESOLVED THAT PSAC support all campaigns to have the court challenges program re-established in its entirety.</p>	<p>MENTAL HEALTH AWARENESS IN THE WORKPLACE</p> <p>BECAUSE mental health issues affect 20% of our members and is a leading cause of stress in the workplace; and</p> <p>BECAUSE there needs to be an increased awareness of mental health issues; and</p> <p>BECAUSE there needs to be consistency in dealing with mental health issues:</p> <p>THE PSAC WILL develop a presentation document on mental health and make it available to all locals to increase awareness on mental health issues in the workplace.</p>
