Regional Committees

About Us

PSAC North is Canada's largest union North of 60, representing more than 16,000 members in the Yukon, Northwest Territories and Nunavut. We span a landmass equal to all western provinces put together, plus Ontario.

Our members live in larger urban centres as well as small, isolated communities without road access. Our headquarters is in Yellowknife, Northwest Territories, with regional offices in Whitehorse and Iqaluit.

"Whenever challenges arise within our union, they should be met openly and honestly. But most importantly, when challenges arise, we should confront them together."

- Jack Bourassa,
REVP PSAC North

What Committees Do?

PSAC North Regional Committees help to guide our union as well as protect and advance the interests of our members and the communities they live in.

Many of today's leaders developed their skills, abilities and talents on a committee.

They not only educate themselves, but became an invaluable resource to local members, components, PSAC National and their communities.

How You Can Help?

If you are passionate, have ideas to share and would like to be a part of something bigger, you will find a warm welcome awaits you. You are the heart of our union.
