

PAY ADVOCATE TRAINING

PSAC has scheduled training for pay advocates, normally local officers or stewards, that have been assisting members with Phoenix issues. However, this training is offered to anyone who is interested and engaging for the first time in their union. This training will provide information and training on tools specifically for assisting those with pay issues. It will also provide information on our key objectives in pressuring the government to address and resolve Phoenix.

Objectives of the 1-day course include:

- Orienting Pay Advocates to the union
- Providing an overview of the Phoenix debacle and what PSAC has done
- Explaining the strategy PSAC is adopting to address Phoenix
- Exploring advocacy – what to do, not to do
- Next steps - where to go from here as a Pay Advocate

Please ensure that at least one Executive, Steward or person designated by the local as a “Pay Advocate” signs up for this important training and information session.

When: February 17, 2018

Time: 9:00 a.m. – 4:00 p.m.

Where: PSAC Regional Office Boardroom - Building #1412
