An accounting of the highest number of members for the period of 12 months prior to the date of the Convention Call, as provided by the office of the PSAC Director of Finance Branch, will be used to determine the number of delegates each Component Local/Branch and DCL is entitled to send to Convention, as per Section 16, Sub-Section (6)(a) of the PSAC Constitution.

There will be no overtime compensation.

Please refer to the PSAC North Regional Convention Travel Guidelines for further instructions regarding reimbursement or loss of salary.

Family Care

The objective of the PSAC Family Care Policy is to remove a barrier which may prevent **delegates** from participating fully in union activities and which provides for the reimbursement of family care expenses. A copy of the policy is available on the PSAC website at <http://psacunion.ca/family-care-policy>.

On-site child care is intended to remove a barrier to a delegate's ability to participate at the PSAC North Regional Convention and is provided only for those who could not otherwise attend, had the service not been available.

Family care arrangements will be provided based on requests identified on the registration form.

Accommodation

PSAC strives to ensure that our events are barrier-free for delegates with disabilities. Accommodation will be provided based on requirements and functional limitations identified on the registration form.

No Scents!

In consideration for the health of our members who may suffer from environmental disabilities, and with the goal of eliminating a contaminant from the air, PSAC asks that all participants attending the Regional Convention refrain from using scented products. These include perfume, colognes, as well as scented lotions, hairsprays, deodorants, and other products promoted by the fragrance industry.

Greening our Convention

Climate change, global warming and the protection of our environment are union issues. Conventions, conferences and meetings all have an impact on our environment. We can help reduce this impact by adopting environmentally-friendly practices. PSAC has worked to create a more sustainable Convention to reduce our carbon footprint. Our actions have included reducing the amount of paper and materials distributed, providing clean public water, and recycling and reusing Convention materials. Together, we can make a difference.

Training

Training sessions and courses related to Convention, including resolution writing and rules of order, will be posted on the PSAC North website here:

<http://psacnorth.com/our-organization/education-program>

For first time delegates there will be a Convention orientation prior to start of Convention.
