TUB

Talking Union Basics

TUB is the PSAC's "cornerstone" introductory course. If you have wondered what it means to be a union member; how the PSAC works; and what happens to your union dollars, Talking Union Basics provides answers to these questions. Participants will also be introduced to the collective agreement, your employee rights and your rights as a member of the PSAC. You will learn the many opportunities to be active in the union and ways you can make a contribution to building strong locals. It is recommended that members take Talking Union Basics first as it provides the basic knowledge you need to get the most from other PSAC courses.
