

Bargaining Communiqué

To PSAC / UNW / Local 3050 Members Working at Dominion Diamond Ekati Corporation

November 1, 2016

The Union Bargaining Team will be meeting with the newly assigned PSAC Negotiator on November 7th & 8th in Yellowknife in order to prepare for the continuation of bargaining with the Employer. Brenda Shillington has been assigned to our group due to the unavailability of our previous Negotiator, John Wilson. PSAC Research Officer Mathieu Brûlé will also be working with the team.

The Union has been in communication with the Employer in order to suggest dates for the continuation of bargaining. Unfortunately, we were unable to secure dates in either November or December when both parties were available. We will continue to work at confirming new dates and updating you with that information.

Our goal remains to achieve a positive outcome and an improved collective agreement for bargaining unit members at Ekati. Please watch for future announcements. Your solidarity and support of your Bargaining Team is greatly appreciated.
