

PSAC Statement on Scent-Free Environments

The complete statement is in conference kit. The PSAC requests that all participants attending any union function refrain from using scented products. These include scented perfumes, colognes, lotions, hairsprays, deodorants and other products promoted by the fragrance industry.

A participant who notices a problem is encouraged to address the person in a cordial and respectful manner. Any unresolved issues may be brought to the attention of the organizers who may investigate and attempt to find a reasonable accommodation.
